Dear Francois

We would like to take this opportunity to thank you and your staff for the excellent service and support that you afforded Cornerhouse at the recent Segment Team Conference for Distell Corporation staged at The Caledon Hotel and Spa earlier this month.

We would also like to make special mention of Jason's dedication to his work. He certainly went the extra mile for us during the two days and he is an invaluable ambassador for Inchbrook.

We look forward to working along with you again soon.

Best regards

Deborah Corner
