Dear Francois, Tim, Mark, Edwin & Theresa,

Thank you, very much for the chocolates and the card, it was extremely thoughtful of you guys. I appreciate everything you guys have done and have really enjoyed working with all of you.

There's never a dull moment especially when Tim's around, he's constantly got this broad smile on his face waiting to lighten up somebody's day. I know there has been times where I've really been hard on all of you, didn't mean to be harsh with you guys especially Mark & Tim.

Francois, the team really appreciates what you have done for them, they are really excited.

Take care of yourselves.

Lots of Love

Shamiem
