

*the cape milner*

Dear Rory,

I would like to take this opportunity to Thank you and your Team for your help for the Nestle Function which took place on the 18<sup>th</sup> May.

Your Team stayed here until the early hours of the morning in order to set-up the equipment - this was definitely exceeding my expectations,

Thank you all again. I am very happy and my client was very impressed with your team, especially Temba who assisted her throughout the day. She also requested to have your business card for any future dealings

I am proud to have Inchbrook as The Cape Milner's AV Supplier

Keep up the good work
